

Praying Like Paul... For Clark County

A 40 day prayer guide concluding on Palm Sunday 2013
February 13 - March 24

What might God do if thousands of believers throughout Clark County prayed fresh, united, biblically-based prayers over an extended period of time for a greater sense of His presence in our midst?

Here is a Prayer Guide designed specifically for Clark County that is...

- **Expandable** – designed for a person to spend as little as five minutes or as much as a couple hours in prayer each day.
- **Biblical** - based upon prayers the Apostle Paul prayed for churches he loved.
- **Hopeful** - prayers that focus on the “better future” God has for people here in our area.
- **Intercessory** - these prayers are not so much about our devotion to Christ as they are about seeing more of His purposes fulfilled in Clark County.
- **Tutorial** - designed to help people prayer more and better prayers even beyond the 40 days.
- **Specific** - helping us to pray for specific places and people in Clark County.
- **Cooperative** - written by local pastors and others who carry a heart for our county.
- **Informational** - as people use this prayer guide they will know and love the people of our county more.
- **Uniting** - thousands of believers throughout Clark County will be using this prayer guide each day.

In 2012 over 3,000 people throughout Clark County participated in ***Seek God for the City***, a 40 prayer guide written by Steve Hawthorne, leading up to Palm Sunday. Because some congregations here in Clark County have used it for a few years, there is a desire to do a similar project that is more locally focused. So, with Steve’s blessing, in 2013 we will be producing this 40 prayer guide for Clark County.

***We anticipate the cost will be just \$1.00 per copy for this 50+ page 8.5” X 5.5” booklet!
We will have copies available for you by February 3rd - 10 days prior to the start date.***

Possible uses in your congregation include...

- Simply announcing it and making it available to the people of your congregation.
- Announcing it and encouraging people to make good use of it regularly; referring to it, and praying from it during each weekend service.
- Encouraging each person in your congregation to use it, making use of it in home groups, Sunday School classes, etc.
- Using this as an occasion to preach through Paul’s six prayers and have it affect all those in your congregation.
- Encouraging each person in your congregation to not only use it regularly, but also use it as a tool to invite others in their community, workplace, or school into the process.
