

Will you invest

60 Minutes  
to benefit the  
students of  
Clark County?

August 17-20, 2015

Students—Parents

Educators—Friends

Praying **at** and **for** (and even **In**  
when invited) each High School in  
Clark County....

because we believe prayer is one  
of the best things we can do for  
our students.

*“We must do more than pray, but we  
cannot do ‘more than pray’ until we  
have prayed.”*
